

Ontario Zoroastrian Community Foundation

OZCF Monthly Pledge Form

Dream it. Do it.

Sometimes it doesn't take long to turn a dream into reality. Nothing proves that more than OZCF, which started in 2002 with the dream of buying a parcel of land on which to build a Zoroastrian community centre and house of worship.

It's a big dream, but in four short years we've been able to raise over \$1.2 million in cash and pledges. This is a great accomplishment and with these funds we've been able to buy a 10-acre parcel of beautiful land and called it the Zoroastrian Religious and Cultural Centre (ZRCC).

With your continued help, we can begin construction of the community centre and place of worship we've all dreamed about.

Our goal is to have everyone contribute towards this dream. If 100 families on the average donate \$100 per month, we would raise **\$120,000 per year**.

If your income is:

- \$100,000 then **\$150/month is 1.8% of your salary, and after the donation tax credit it is only 1%**
- \$75,000 then **\$100/month is 1.6% of your salary, and after the donation tax credit it is less than 1%**
- \$50,000 then **\$75/month is 1.8% of your salary, and after the donation tax credit it is less than 1.2%**
- \$30,000 then **\$25/month is 1% of your salary, and after the donation tax credit it is less than 0.8%**
