PRESIDENT'S MESSAGE

"We May Encounter Many Defeats But We Must Not Be Defeated." - Maya Angelou

As you are aware, COVID-19 cases continue to rise at an alarming rate, and a declaration of emergency and a provincewide Stay-at-Home order is in effect as of Thursday, April 8. This has already been extended from 4 to 6 weeks and scheduled to end on May 20, 2021 (or it could be further extended). We urge all our members to heed the advice of public health officials and their request to continue practising social distancing.

The province's vaccination program continues to roll-out and hopefully our community members who are eligible as of now have taken their first dose. If not, please book your appointment as this will be an important tool to help stop the spread of the virus and allow individuals, families, and workers to safely resume normal life.

In an effort to ensure the world's most vulnerable people have access to the COVID-19 vaccine, OZCF is supporting a nationwide project called Love My Neighbour, a project in partnership with UNICEF Canada. Your donation will fund the entire chain for a 2-dose vaccine from the manufacturer to people in the world's hardest-to-reach places. Charity is an integral part of the Zoroastrian faith and your Board has reached out to sister Associations across Canada to promote **"Zoroastrians for Love My Neighbour"**. More details on the project and to donate are provided on Page 4.

Due to the current restrictions and lockdown measures, the much awaited **Dar-ni Pori curbside** pick up scheduled for April 25 had to be postponed. Disappointing for both the buyers and our community chefs. A little patience as a new date will be announced in due course.

Our Fundraising team is finalizing a **Grand Raffle event** which will be running over a period of time, with multiple draws. Stay tuned for the details which will be sent out soon.

Your Facility Management Committee (FMC) has been busy setting up the **security camera system** at the property. A big Thank You to Meherwan Wadia of Atash Theater Systems and the FMC team in getting the cameras and system set up. Meherwan provided free labour and we are grateful for his generosity. The security system has been in the works for some time and installation had to be pushed back due to the restrictions. But now, all systems are up and running.

The Board is holding the next **AGM on Sunday, July 11th, 2021**. Please mark this date in your calendar. We will email the details over the coming weeks.

Finally, as always, we wish Tandarosti to our community. Stay Safe and Stay Well!

Ushtaa Ahmaai Yahmaai Ushtaa Kahmaaichit! – Happiness to those who give happiness to others!

PLACE OF WORSHIP ADVISORY COMMITTEE REPORT

Over the past few months, we have been completing the value engineering exercise to reduce costs. The total building Ground Floor Area (GFA) has been reduced to about 8,155sf, with ground floor area 5,565sf (original 6,200 sf), basement 1,514sf and upper level 1,076 sf (priest home, floor only, unheated and unfinished). The siteworks including outside parking area, asphalt, concrete, sidewalks, lighting, underground piping and electrical infrastructure, landscaping and canopy cover, have been redesigned to reduce costs, in consultation with the town.

We have met several times with the town (the wonders of Zoom!) to finalize the site plan drawings for Site Plan Approval which we are now about to submit. The architectural redesign for SPA is complete and the drawings are now with the engineers to finalize, together with the new revised report submission. These are comprised of hundreds of pages of reports that we are revising to meet our new requirements. We hope to submit to the town in mid-May. They need six weeks for review, then we can apply for the building permit which takes about four to six weeks for review, depending on complexity. Due to covid, these times are extended as staff work from home with limitations.

We have been working closely with a number of interested contractors on a design-build basis to identify where and how we can save costs with the revised building. We have had several meetings with them as well as building materials suppliers and identified various areas where we can save from the original design, while fully maintaining the integrity, durability and magnificence of our Atashkadeh and future Atash-e-Adaran. We have now narrowed the contractor search and are discussing further details with them. We are working closely with our engineering consultants to complete the final revised mechanical, electrical, structural plumbing and landscaping drawings to submit for building permit and final pricing.

As I have indicated previously, pricing of all supplies has become higher due to shortages as a result of Covid and contractors are busily attempting to complete prior projects, working through these un-forecasted long lock-down periods. We are therefore anticipating higher than expected pricing for the building and siteworks.

The past few months have seen much interaction amongst us and government agencies, contractors, suppliers, architect, engineers and we are pleased with the progress. We continue to update the board on progress of the project and will keep the community updated on pricing and timing when we have more concrete information. Through the community's strong support and encouragement, this long process has taught us about patience, frustration and persistence, but above all, the will to march on with unwavering determination to fulfill our dream, with faith and trust in Ahura Mazda's guidance.

May Ahura Mazda always bless our community.

Phil Sidhwa

ZOROASTRIANS FOR LOVE MY NEIGHBOUR

The Board of Directors of the **Ontario Zoroastrian Community Foundation** are excited to share the news of our support of a nationwide project called Love My Neighbour, inspired by Millennium Kids and Canadian faith communities, which exists to increase COVID vaccines delivered throughout the developing world to end the COVID-19 pandemic.

The Love My Neighbour project has a goal to supply 38 million additional vaccines to our neighbours living in lower-income countries – that's one for each grateful Canadian. We know delayed vaccinations in poor regions around the world put everyone at risk of additional COVID mutations for years to come.

The **Ontario Zoroastrian Community Foundation** is committed to support this project as part of Canadian faith communities in an effort to ensure the world's most vulnerable people have access to the COVID-19 vaccine.

We are asking our CANADIAN Zoroastrian communities to support this worthy cause. The OZCF has formed a support web page titled "Zoroastrians for Love My Neighbour" and will also be encouraging other Zoroastrian organizations in Canada to support this worthwhile initiative. As a community of Canadian Zoroastrians, we are attempting to raise **\$25,000** which will help administer approximately **1000 vaccines** to those in need. Thanks to you, we are off to a great start as we have raised over **\$5,000** to date but we have some ways to go in order to achieve our target amount. Please contribute and do your part in helping save lives globally.

You will receive a tax receipt from **UNICEF**. That's where **YOU** come in!

As of April 16, you, your friends, family and/or colleagues can donate to our "Zoroastrians for Love My Neighbour" project in partnership with UNICEF Canada. Each 2-dose vaccine will amount to a donation of \$25 for a global neighbour. We need to spread the word across Canada in order to ignite the generosity Canadians are known for and ensure our poorest 4 billion global neighbours receive access to the lifesaving COVID vaccines in 2021. (The global partnership, COVAX, is currently aiming to vaccinate only 20% of this half of the globe in 2021)

Each donation will fund everything needed to deliver a 2-dose vaccine from the manufacturer to people in the world's hardest-to-reach places. This includes the vaccines, per-person cost for transport, cold chain protection, health worker training, and safe disposal of needles and waste.

How you can help!

- To donate: Click <https://fundraise.unicef.ca/lovemyneighbour/ozcf-love-my-neighbour>
- This will help us track monies donated by Zoroastrians towards this cause.
- Remember, all donors will receive tax receipts from **UNICEF**

Join us in gifting forward, as we leverage our connections to end the global pandemic and help those most vulnerable.

On behalf of the OZCF Board, thank you for your support and generosity.

OZCF's Annual General Meeting will take place at the ZRCC on **Sunday July 11th, 2021 at 11am at the ZRCC**. At current time, we are looking at holding a hybrid Meeting consisting of in-person and online attendance of members in good standing. OBITUARY

Amy Dara Madan, wife to late Dara and mother to Homyar & Xerxes; mother-in-law to Pearl and Jeroo; grandmother to Zeenia, Jehan, Anaisha and Kevan, passed away in the evening of April 22, 2021. May Ahura Mazda eternally bless her soul.

CAMERA INSTALLATION AT ZRCC

It was indeed a Good Friday weekend as cameras were installed at the ZRCC. FMC member Rumi Jasavala had done the legwork of looking into the cameras needing to be purchased and stored them. The Facilities Management Committee had Meherwan Wadia of Atash Theater Systems install the cameras with the assistance of FMC volunteers Hormuzd Engineer, Adil Bhesania, Neville Patrawala, Cyrus Banker, Khushroo Bharda, Xerxes Madan and Cyrus Gazdar. A total of 10 cameras were installed in the hall, on the patio and outside the hall building to provide coverage spanning the entire field, fire pond area and the entranceway to our property.

During these challenging times, the Board continues to find ways to enhance our facilities in a fiscally prudent manner. You will recall when we asked members to contribute to the 40 in 4 Programme, we had stated infrastructure updates to our property as one of our key objectives. Rest assured that your contributions have been put to good use as we have long-discussed the need to have cameras at our property and we now have an added layer of security which will safeguard our facility.

YOUTH TALK

On March 7th the Youth Committee hosted our 5th session of the popular Youth Talk steered by Mobedyar Khushroo Mirza on the topic, “Does Religion Matter in the 21st Century?” We had over 20 youth participants who joined our session via Zoom and the 1½ hour interactive conversation was very engaging and educational.

YOUTH EXPLOSION

The Youth Committee continued their initiative to recognize Zoroastrian youth who understand the importance of giving back to the community and taking on leadership roles to strengthen our organizations.

ZOROASTRIAN YOUTH OF THE MONTH FOR MARCH WAS **NEKZAD ILLAVA**.

Ervad Nekzad Illava is a young Mobed who is an ordained Navar and Maratab. He regularly volunteers to perform religious ceremonies held at the ZRCC, often taking the initiative to lead the prayers (Jyoti). For the past year, Nekzad has been taking online classes to learn the Avesta language under Er. Dr. Ramiyar Karanjia. He is also a member of the North American Mobed Council. Currently in grade 12, Nekzad is applying to universities.

We are very proud of Nekzad and extremely pleased to recognize his services to the Ontario Zoroastrian community!

‘With the blessings of Ahura Mazda and the support of my family, I’m always happy to serve the community’ – Nekzad

ZOROASTRIAN YOUTH OF THE MONTH FOR APRIL WAS **ZAMYAD MEHERJI**

Zamyad Meherji has been an active volunteer for the past many years. He began volunteering at the Zoroastrian Society of Ontario in 2014. He chaired the Youth Committee for a few years and presently serves on the ZSO Executive Board as the youngest board member.

Zamyad's volunteer work extends beyond Canada. He served as the Co-Chair of the Zoroastrian Youth of North America (ZYNA) Committee under FEZANA for two years. Currently he is the Co-Chair of the Performance & Creative Arts Scholarship, and Bapsi Irani Culinary Arts Scholarship Committees.

We are immensely proud of him and thank him for his service to the North American Zoroastrian community!

“I’ve been fortunate to have friends and family who have done exemplary work and I simply try to follow their great work by giving back more to the community than I receive” – Zamyad.

SENIOR'S UPDATE

As we continue to be under the shadow of the virulent 3rd wave of Covid 19 pandemic, the Senior's Sub Committee is working diligently to help our OZCF seniors to be involved and participate in activities via zoom. Covid fatigue and the impact of social isolation are powerful factors affecting all of us, and it is of great importance that we all stick together to cheer each other up in small little ways during these very stressful times.

We continue to have our regular zumba sessions every Wednesday at 11.45am. They provide a good cardiovascular work out and the regular meeting and greetings of people is a bright and cheerful spot in the day. We urge everyone to join and participate when you have the time regardless of your age. TRY IT, YOU MAY LIKE IT.

Our Chalho Chalho Majha Karo events are also continuing successfully. In February we went Reminiscing down Memory Lane which was a lot of fun and in April we had a Parsi Natak evening. It was so overwhelmingly successful that we were requested to have another session the following week.

We hope to continue such activities until we can get back to the new normal. Our sincere thanks to Rumi Jasavala whose dedication to the seniors is enabling us to cope with the current covid situation.

BASIC FAQ'S ON ZOROASTRIANISM

(compiled by Ontario Mobeds Advisory Committee (OMAC))

36). Over what creations do the Ameshā Spentās Preside?

The Ameshā Spentās were assigned the work of presiding and guarding seven worldly creations:

- I. Ahura Mazda (Hormuzd) – Mankind
- II. Vohu Manāh (Bahman) – Animal creation
- III. Asha Vahistā (Ardibesht) – Fire and all luminaries
- IV. Khshathra Vairaya (Sherevar) – Metal & Minerals
- V. Spentā Ārmaity (Aspandard) – Earth
- VI. Haurvatāt (Khordad) – Water
- VII. Ameretāt (Amardad) – Plants & Vegetation

37). What is the difference between soul and Fravashi?

According to Zoroastrian theology a man's soul is accountable after death for all the deeds performed in the material world, while Fravashis provide guidance to the soul, like a divine monitor, in the perilous sea of life.

38). What is a prayer?

Prayer is a process of communion that allows us to communicate with God!

39). What is the best type of prayer?

The best type of prayer is that which helps one to improve his/her life physically, mentally and spiritually and inspires to serve the surrounding world to the best of one's ability.

40). How should true prayers be offered?

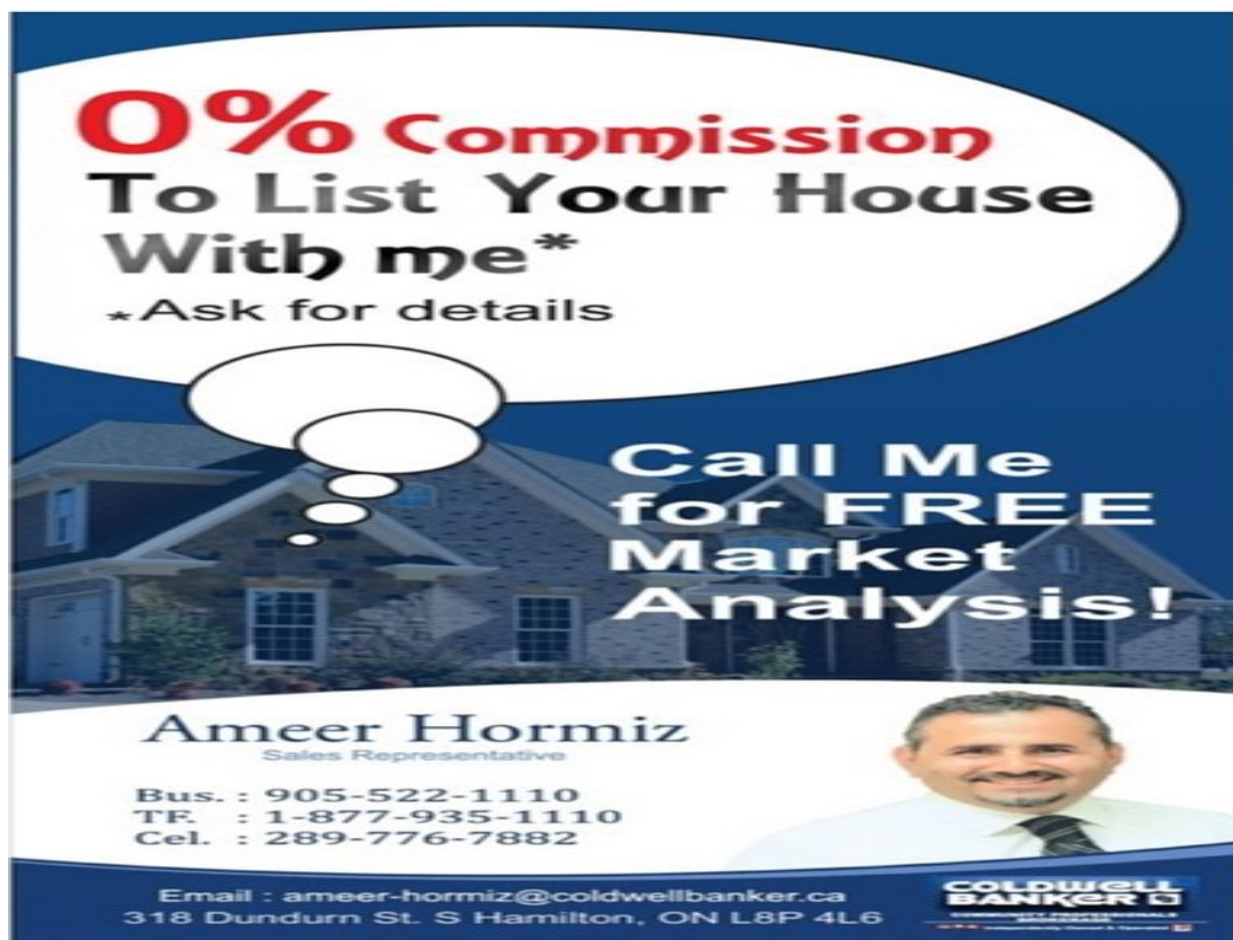

True prayers should be offered with devotion, peaceful mind, sincerity of heart and deep yearning for spiritual joy.

41). What purpose does prayer serve?

Prayer calms down our mind and heart, provides us with inner strength, self-confidence and leads to enlightenment.

42). If the Gāh changes while performing our prayers can we continue praying in the old Gāh?

Ideally, one should complete a ceremony/prayer during the same Gāh. However, if one is close to the end of their prayers and the Gāh changes, the prayers can flow into the next Gāh.

12TH WORLD ZOROASTRIAN CONGRESS

It is after 22 years that the **12th World Zoroastrian Congress (WZC2022)** returns to North America. FEZANA and the Zoroastrian Association of Greater New York (ZAGNY) are co-hosts for this momentous event to be held in New York City, July 1-4, 2022.

The theme, "Bridging the Global Zarathushti Existence" will bring over 1500 attendees from across the globe. The Congress team under the leadership of Arzan Sam Wadia (FEZANA) and Astad Clubwala (ZAGNY) are working diligently to make sure the program and festivities reflect unique perspectives, challenges, and celebrate diversity of the larger Zarathushti community.

This is a unique opportunity for our North American associations and corresponding groups to come together participating in this historic event. Hosting an event of this magnitude will require participation, involvement, and fundraising from our North American Zarathushti community. Nowruz/Navroze this past month was celebrated with a successful inaugural Jashan from the Dar-e-Meher in New York to mark the beginning of festivities.

Within these next 15 months there will be quite a few exciting events planned, like on-line Sweepstakes, virtual entertainment, dialogues, presentations. The **congress website** is where updated information for the congress will reside as well as on social media (Facebook, Instagram).

Therefore as FEZANA Congress Committee co-chairs, we are reaching out to you with a request to assist our WZC2022 Congress team by pro-actively communicating, publicizing, and distributing regular news bulletins to your respective communities.

It can be via newsletters/emails or any mode of communication you may have for distributing information to your respective community. In addition, it will help generate excitement, interest, and participation from members within your community.

Your association or corresponding group may already have a FEZANA representative who can assist you with this responsibility. If not, then we do request that you designate an individual on your board or community who can be instrumental in performing this task.

Please let us know once you have this individual identified. We can be in contact with them directly to communicate upcoming developments and news about the congress.

You can write us at:

Katayun Kapadia **kkatayun@msn.com** and Mahrukh Motafram **mahrukhm83@gmail.com**

With your help, we can come together as one Zarathushti community.

With sincere gratitude.

Katayun Kapadia & Mahrukh Motafram
