

# VISION

JULY 2016

## PRESIDENT'S MESSAGE

Members, we have lift off! At last month's AGM our new board took flight. Please welcome our new directors Tanya Bharda, Rushad Bharda, Percy Dastur, Khushi Doctor, Farshad Engineer and Nelly Engineer. Arnavaz Dhabhar will take on the role of Assistant Treasurer to aid Treasurer Tauzer Dalal. Jeroo Madan will be the Assistant Secretary to Secretary Neville Patrawala. Morvarid Fereidooni is the Vice-President and Cyrus Gazdar the President.

This is the first time in a long while since we have had this many directors on a board. I am encouraged to see this as it tells me that members are keen to get involved and want to contribute to their community. We have a fine representation of youth and experience, priests and accountants. And it's very beneficial to have a Doctor and a couple of Engineers on board.

We are coming off the most successful gala in OZCF's history. It was indeed a magical and sparkling event as we raised \$2.24 million in one night alone for the Atashkadeh project. What a milestone evening in OZCF's nascent but blossoming history! With the grace of Ahura Mazda, we are on our way to eventually erecting a consecrated place of worship for Zoroastrians, the very first of its kind in North America, a remarkable achievement within just 15 years of our organization's existence!

This stellar evening could not have been possible without the dedication of the Gala Committee who had been toiling for months on end. Thumbs up to all of you for pulling it off.

Going forward, our mandate will include working with special project committees such as PWAC, collaborating with our sub-committees and engaging our youth, the latter of which is of special importance to me as they represent our future. I encourage our members to continue attending our events. Check out the events section on the OZCF's website for full listings. School's out (woo hoo!) and summer holidays are in full swing. Enjoy the lovely weather and long sunny days with those near and dear to you!

**Cyrus Gazdar, President**

## THE FIRE WITHIN - GALA FUNDRAISER

Friday, June 17, 2016 will go down in history as a major fundraising success for the Ontario Zoroastrian Community Foundation (OZCF). The OZCF is extremely proud and thankful to announce that the evening raised an astonishing \$2,240,000.

The 'Magic & Sparkle' Gala was held at the Oakville Conference Centre to kick off the fundraiser for the building of a consecrated Atashkadeh with a consecrated Atash-e-Adaran fire. Over 400 guests and dignitaries attended the event which included audio visual effects, a magical painter, silent and live auctions and entertainment with live band and DJ.

After seven months of planning, the Gala started with the introduction of the evening's Master of Ceremonies, Cyrus Gazdar, followed by The National Anthem and Grace led by Mobed Rushad Bharda and Mobedyar Mahshad Khosraviani.

It was definitely a magical evening as the evening started off with an extremely large donation of \$1,000,000. What a wonderful and generous way to set off the fundraising for the Atashkadeh! There was barely enough time for the attendees to gather their breaths, when another generous donation of \$500,000 came forth. It was an amazing feeling! The place was now rocking and the OZCF Fundraising thermometer displayed on the five large screens was working hard to keep up. The generosity continued with the OZCF's vision at heart. Another donor came forth with \$110,000 and it did not stop there. The guests continued with the donations, large and small, which were accompanied with passionate speeches and dedications of their philanthropy.

Our budget of \$3,000,000 did not seem like a dream anymore, but more of a reality. While the fundraising continues, the excitement and anticipation of our vision of building an Atashkadeh is that much closer now.

The Place of Worship Advisory Committee has been working diligently over the past five years through stakeholder meetings and information dissemination, to bring us closer to realizing the possibility of building a consecrated Atashkadeh with a consecrated Atash-e-Adaran fire in North America. The completion of this project will greatly contribute to the survival of our faith. It will act as a focal point for our religion and our heritage for future generations.

Our success is a result of the magnificent support, generosity and belief of Ontario Zoroastrians and their families and friends towards this cause.

On behalf of the Ontario Zoroastrian Community Foundation, we would like to thank everyone that made this a 'Magical and Sparkling' night, one to remember in the history of the OZCF forever.

Please visit the OZCF website at <http://www.ozcf.com> to see the event's pictures and videos.

Aug 7<sup>th</sup> 2015

To:  
Presidents  
Zoroastrian Associations of North America  
Dear Sir / Madam:

In response to requests from several North American Zoroastrian Associations, we provide guidelines for "Ashodad" or "Kadr-Dani" for performance of religious services provided by Mobeds in North America.

Following extensive consultations, NAMC has developed these guidelines for the benefit of the families requesting religious services as well as the Mobeds; and with a view to ensure that the North American communities continue benefiting from the religious ceremonies, education and counsel provided by the next generation of Mobeds while being fairly compensated for their services.

We intend these to be **guidelines** and we emphasize that a family's financial ability should be given utmost importance. We believe that no family should be discouraged from availing services of a Mobed for financial restraints. We also acknowledge that, where appropriate, geographical and logistical variations should be given their due consideration.

We encourage your association to publicize these guidelines in your communications for the benefit of your members.

Sincerely,  
Kobad Zarolia, President, NAMC
